Hello Pearsall ISD Family,

Thank you to each and everyone of you for all you continue to do. We would not have been able to make it this far into the school year as successfully as we have without your dedication and hard work on a daily basis.

As we enter the month of February, we may be receiving more students back. Our data continues to show that our school facilities are a safe place during this pandemic. We will continue to do what we need to do to ensure the safety of all students and staff. Nevertheless, please remember to always stay safe.

As always, thank you to everyone who continues to exhibit Maverick Pride and remember that at Pearsall ISD we say, "Once a Maverick, Always a Maverick"!

Pearsall ISD Employee Appreciation Meals

As an ongoing effort to recognize and thank all of you for your continuous hard work, the District has planned three more appreciation meals for all PISD staff. Your dedication to our students and community is not overlooked, therefore providing you all with lunch on these dates is the least we can do to show our appreciation. Please make sure to mark these dates on your calendar and get with your supervisor for more details closer to each date.

PISD Employee COVID-19 Testing/Screening

On January 26th, a memo was sent out districtwide via email about an update to the District's COVID-19 Testing/Screening program. The testing is still being performed on a voluntary basis with staff. The program is being expanded so that staff may test up to twice a month at their discretion and with approval of their supervisor, to include when an employee may be exhibiting symptoms or if potential exposure may be of concern. Please make sure to review the email and memo carefully for further details about the volunteer testing program – [click this link for a copy of the memo](#). Once again, we would like to give a big shout-out to all of our staff that continues to assist with carrying out the COVID-19 testing program for Pearsall ISD. You are all playing a vital role in ensuring the safety and well-being of our staff and students!

Congratulations to our Employees of the Month for January!
