Hello Pearsall ISD Family,

Thank you to every one for your continuous teamwork, flexibility, and patience. As we continue to receive new guidance from the State level, we will continue to communicate out the information accordingly.

*Additionally, the focus of **Maverick Pride** is evident across the District. We ask that you continue to keep up the spirit throughout the entire school year. As always, remember that at Pearsall ISD we say, “**Once a Maverick, Always a Maverick!**”!*

October is National Bullying Prevention Month

Every October, schools and organizations across the country observe National Bullying Prevention Month. The goal is to encourage communities to work together to stop bullying and cyberbullying by increasing awareness of the prevalence and impact of bullying on all children of all ages. Please check with your campus counselor(s) for bully prevention activities occurring at your campus and across the District.

Every day thousands of young people experience bullying from their peers while at school, after school in their neighborhoods, and even when they are at home, through social media and texts. We as educators play a critical role in raising awareness about and preventing bullying, as well as educating our students about.
