Howdy Pearsall ISD Family,

Thank you all for your hard work to get the 2019-2020 school year off to a great start! I hope that Pearsall ISD has already become a great place to hang your hat.

As we continue to move forward with the school year, we ask that you keep the District's mission at the forefront of everything you do on a daily basis by providing "a learning environment that is safe, nurturing, and student centered where everyone is accountable and all students are empowered to succeed". This will assist us in accomplishing our vision of "preparing students for college, careers, and life".

Compliance Training Reminder

Please remember to complete the online compliance training modules by Monday, September 30, 2019. Instructions to complete the online modules can be found at <http://bit.ly/PISDcompliance>.

The compliance training topics consist of Child Abuse/Sexual Abuse & Other Maltreatment, Suicide Prevention, and Sexual Harassment. These training requirements are critical to ensure the safety and well-being of all students and staff.

Important News

Pearsall ISD's ACE program is open for the 2019-2020 school year. Let's work together to ensure we meet our goals with the grant program and use it to help as many students as possible. Encourage students and parents to get involved with the program. If you are interested in assisting with before and/or after school activities, please contact your campus' site coordinator.

Maverick Scholarship Fundraiser

Thank you for all that have contributed to the Maverick Scholarship Fund by signing up to purchase a scholarship shirt. Through your generous contributions, we raised over \$15,000, this is already \$5,000 more than we raised last year with this same initiative. These funds will be used to provide graduating seniors with scholarship money. As soon as the shirts are delivered to the District, we will get them to those who ordered one. You have made a difference by helping make college more of a reality for our students. Thank you all for your continued support!

Virginia Thompson Pearsall Education Foundation – Teacher Grants

The Virginia Thompson Pearsall Education Foundation (VTPEF) is a nonprofit organization that seeks to further the educational goals of Pearsall students and teachers through the provision of scholarships and grants. Their mission is to seek resources that support the educational programs and initiatives of the Pearsall Independent School District, enrich teaching, and inspire “learning today and leading tomorrow” through encouraging innovation within our educators. As part of their mission, the Virginia Thompson Pearsall Education Foundation has provided many teachers over the past few years with financial contributions through their Innovative Teacher Grant Program.

The VTPEF has opened up its teacher grant application for the 2019-2020 school year. The teacher grant application was disseminated via email, but may also be found [here](#). The deadline for the application is Monday, September 30, 2019. The application may be submitted to Sonya Martinez or Dora Rodriguez at the PISD Administration Building. We encourage all teachers to consider applying for this great opportunity!
